8. In G.P. no. 1143-5 / C.7. 24-07 dated the 1st July 1902 sanction was accorded to the grant of a monthly allowance of Rs 100/- to Mr Kodandapani Mudr with effect from the date on which the plague allowance was discontinued (ie 1st February 1902) and in G.P. no. 6807-02 / C.7. 24-07 dated the 4th Nov 1902 the President's proposal to meet the charge from the ~~Budget grant~~ current year's Budget grant under "IV Conservancy - Establishment charges" was approved (vide serial nos: 8 + 10 Sch-A Sch-B).

9 With reference to the Labour order the Comptroller states, in his letter no. 583 dated the 25th Nov 1902, that of the total amount of Rs 1200/- payable to the Health officer for the whole year, a sum of Rs 600/- has already been provided in the current year's Budget under "VI Registration of Births and Deaths" that the balance of Rs 600/- will be met from the provision of Rs 24,802/- made for Conservancy establishment charges as proposed by the President and that this fact has been communicated to the President.

10 It is respectfully submitted that

of the allowance to the Health Officer having been sanctioned in July 1902 with retrospective effect from the 12th February 02 the charge actually debitable to the current year's City Municipal Budget is Rs 1700 (the allowance for 17 months) and not Rs 1200 (the allowance for 12 months only) as understood by the Comptroller. A provision of Rs 600/- exists for the Health Officer's allowance. The balance of Rs 1100/- will have to be met from the savings under "IV Conservancy" as already proposed by the President and approved by Govt. It is therefore submitted that the provision under IV Conservancy will be reduced to Rs 23704 and not Rs 24204 as stated by the Comptroller.

~~Requesting that the Comptroller's office may be requested to withdraw the objection raised in the reference dated~~

It may the Comptroller's office be requested with the observation that the extra charge debitable to the municipal funds of Mysore for 1902-1903 on account of the Health officer's allowance is Rs 1100/- and not Rs 600 and that the provision under IV Conservancy will have to be reduced by that amount and not 600 as stated by the Comptroller.

Sir,

In forwarding the accompanying letter No.591 of 9/10th May 02, received from the Health officer Mysore City I have the honor to state that this officer was granted Rs.15 per mensem for his duties as Health Officer and not as Chief Plague Officer (vide G.O. No.373/L.B.(P)150 dated 18-7-01) and I fail to see why this allowance should be stopped because other officers on plague duty solely have had their allowance stopped and to request that Government will be pleased to direct the payment of his allowance with retrospective effect from 1-2-02.

I have the honor to be,

Sir,

When I represented the above facts along with
other circumstances to the Dewan & to you, both

my usual allowance.

As it is more than three months since my allowance
was stopped I find it very difficult to maintain
my establishment any longer; I therefore request
that you will be pleased to do the needful
early, to draw my allowance from 1st February
